BARK SHEET: POWER RANGERS BOSS BATTLE

Game: "Power Rangers: Guardians of the Grid / Grid Guardians"

Encounter Boss: The Leviathan Ranger (A Villainous Power Ranger I am Designing based on the Norse Myth of the Jörmungandr the World Serpent, who you can re-battle as part of certain missions. His Zord is the Great Wyrm Jörmungandr itself.)

Writer's Notes:
1. I imagine the pre-fight cut-scene, build up, then fight, is set to this - https://youtu.be/8ldkwxck308
2. Power Rangers contains a lot of *"Martial Arts Noises"* and *"Grunt/Exclamation Sounds"*. Some barks here may seem similar to each other, or very short, but they are written to be as show-accurate as possible. For an example of this, you can watch this video - https://youtu.be/CzYR6IEqFfk
